

**As the largest volunteer advocacy group in the nation,  
PTA has been a powerful voice for children for over 100 years.**

**LEADING THE WAY...**

The Camarillo Council PTA cares about children and our public schools. Our goal is to work together for the benefit of all children in Camarillo Schools and our community. When you become a PTA member, it not only shows support for our children, but will also help us fund the many events, programs, scholarships and parent workshops that we sponsor throughout the year.

With nearly 1 million members, California State PTA is the largest volunteer organization in the state dedicated to improving the well-being of all children and youth. Joining PTA supports local, state, and national efforts to improve the education of children and the lives of families.

The PTA has been instrumental in the efforts to support class size reduction, public health services, hot & healthy lunch program, bring arts and physical education back to our schools, and much more. Please consider joining PTA to lend your voice and support to the critical work we are doing in support of our schools and children... in Camarillo... in California...and in our nation.
